As to Defendant's Pro Per Motion for Leave to Proceed in Forma Pauperis, COURT ORDERED, motion GRANTED. Argument by Ms. Krisko that there is nothing complex for Defendant to have counsel appointed and no need for court minutes or transcripts, and there is no reason for him to file a supplemental petition. Court noted that the time to file a petition has expired, so a petition to file a supplement would have expired as well. Further, Defendant pled guilty and Court does not see any error showing the need for transcripts or counsel to be appointed. As Court does not see merit to motions, COURT ORDERED, Deft's Pro Per Motion for Court Minutes and Transcripts of Court

- Court noted that Defendant is not present as he is in custody at the Nevada Department of Corrections. Mr. DiGiacomo represented that Defendant received Fifteen (15) years to Life and he does not see need to have testimony. Court stated that it seems that Defendant is complaining that he got more than 15 to life, but Court noted that on Count 3 Defendant was sentenced to Life with a Minimum of Fifteen (15) years, with other counts running concurrently, and none of the other counts had more than 15 years. Therefore, COURT ORDERED, motion is DENIED.

- Court received the original unfiled Motion for Transportation of Inmate for Court Appearance. If this motion was filed and set by Master Calendar, it would be heard after the hearing date for the Petition for Writ of Habeas Corpus. Therefore, Court requested that the Judicial Executive Assistant contact the District Attorney's Office and direct them to prepare an Order to Transport Defendant Slaughter for the hearing on the Petition for Writ of Habeas Corpus on November 20, 2006. Therefore, Defendant's Motion is MOOT and will not be filed or set for hearing.

- Argument by Defendant Slaughter. Mr. Di Giacomo submitted on the pleadings. Court stated it remembers doing this plea and Court is satisfied from memory and review of plea agreement that everything was understood. Further, Court stated that Defendant believes that there is a sentence which will start running after 15 years as records from Nevada Department of Prisons indicate that there is a deadly weapon enhancement pending. Court advised that every sentence is concurrent and what Defendant was told did happen. Therefore, as Defendant got exactly what he bargained for, there is nothing to warrant an Evidentiary Hearing. Mr. Di Giacomo represented that he has called the timekeeper, but has not received a return phone call. Court noted if they do not give Defendant a parole hearing after five years, then that can be brought before the Court and at that time Defendant can move the Court for some relief, but that does not change the agreement which was entered into,

- Court noted that pursuant to negotiation, the Court and Defendant believed that Defendant would be eligible for Parole in 15 years, however the Attorney General is stating 22-1/2 years. Court agreed that 213.1213 mandates and Defendant must serve 22-1/2 years before the weapon enhancement, and that the Bowen case overrules the earlier cases. However, serving 22-1/2 years goes against the spirit of the negotiation. COURT ORDERED, matter will be continued; State to prepare Order to Transport and Ms. DiGiacomo to be present at next date along with Mr. Gowen to discuss possible remedies. - Statement by Ms. Krisko regarding Judge Herndon being on witness list. Statement by Defendant Slaughter. After hearing what Defendant would purport to want Court as a witness on, Court was satisfied that it has no information whatsoever on that; no recollection of hearing conversations about any negotiations that everyone engaged in, so Court stated it would not recuse and hearing would proceed.

Defendant's witnesses sworn and testified. Exhibits marked and admitted per worksheet. Argument by Defendant and Mr. DiGiacomo. Statements by the Court. Court stated that focus is on what was said when plea was entered. Also, that Supreme Court raised issue the Court may want to appoint counsel for Defendant, however, Defendant declined representation when this matter was first brought back. Court believes that what Defendant bargained for was a minimum 15 years before

being eligible for release, and everyone else thought that would happen, but it was not a stipulated plea or a conditional plea and no one promised concurrent, so there are no issues raised to indicate that it was not a knowing and voluntary plea. Therefore, COURT ORDERED, Motion to Withdraw Plea is DENIED.

Another issue on which Supreme Court remanded case was the Court's comment in November 2007 about 213.1213, and that statute looks like it mandates that this sentence has to be served in a certain way, so Defendant has to serve 22-1/2 years. Court entered findings in regard to that statute.

Directing the prisons that their interpretation of 213 is incorrect, COURT ORDERED, Prison can parole Defendant off the primary and weapon enhancements for the other 3 counts at the time that Defendant is up for parole on the kidnapping count. Further, at request of Defendant, a transcript of this proceeding and the 6/2 hearing are to be provided to Defendant at State's expense.

- Court stated that Defendant is trying to add to the transcripts any statements made after Court was recessed. Court does not recall anything substantive being discussed after either hearing and cannot add to a transcript by trying to guess what was said. if anything was said. Court does not recall a briefing schedule being discussed as Court had ruled on the motion. Additionally, Court will not change the couple of words read by the District Attorney as the transcript indicates that is what was read, and what Defendant is requesting is not material to anything. Defendant Slaughter present, in custody, acting in Proper Person.

Defendant Slaughter advised that there are two significant issues in the Presentence Report which need to be corrected prior to sentencing. Specifically, Defendant Slaughter stated that they are on Page 10 as to Count 9 and on Page 4 as to his substance abuse history. Court advised Defendant that it will not order a new Presentence Report, but will require modifications. Statement by Defendant as to specific modifications to be made. Argument by Mr. DiGiacomo that modifications can be made by interlineations. COURT ORDERED, modifications to be made to the Presentence report. Court stated on page 2, Count 9 should be corrected to "with substantial bodily harm" with the appropriate penalty; on Page 4, change "awhile ago" to around "around 17 years of age", and "approximately \$1,000.00" is to be changed to "under \$1,000.00"; and recommendation on Count 9 is to reflect "with substantial bodily harm. Court stated it will advise Parole and Probation.
